Tal Moreeb Liwa Festivals Project 2025 is a program that will provide memorable entertainment experience during cooler months of the year. This project phase includes planning for organized camping (approximately 200,000 m²) to accommodate 1,600 tents; new sports zone comprising paddle, volleyball, and football courts; additional surface car parking spaces to accommodate more than 1,500 vehicles; upgrading food truck area

as entertainment center including Car Container Café, Retail Area, and Liwa Walk for watching dune projections, fireworks, and star gazing experience; 30 base built garage facilities for cars maintenance; and accommodation area (approximately 500,000 m²) for senior staff, police, civil defense, and BOH Staff.
